

AMAZING TOURISM MENTORING PROGRAM 2019-2020 APPLICATION FORM

The Amazing Tourism Mentoring Program is specifically designed for tourism businesses based in the Lower Great Southern region of Western Australia. The program aims to create a vibrant community of tourism operators and encourage innovation across the region.

The Mentoring Program has been developed by the Great Southern Centre for Outdoor Recreation Excellence (GSCORE) in partnership with Amazing South Coast Tourism Incorporated (ASCTI).

*“The Tourism product is what the customer buys,
the tourism experience is what they remember.”*

Tourism is part of the experience economy, a sector dominated by the desire to be engaged at an emotional, physical, intellectual and spiritual level. Successful experience-based tourism products provide visitors and marketing organisations with reasons to talk about your business – and attract more customers!

Overview

The Amazing Tourism Mentoring Program provides tourism businesses with access to a range of tourism innovation resources to tap into the experience economy. The program includes workshops, guest presenters, activities, networking, and mentoring.

The Amazing Tourism Mentoring Program is perfect for you if...

- You are thinking about starting a tourism business, but don't know where to start
- You are a brand new or newly established tourism business and need help to grow
- You are an existing tourism business looking to innovate to increase market share
- You have a tourism event idea and need assistance to make it happen

How do I sign up?

A limited number of places are available, and applications will be assessed via a competitive Expression of Interest (EOI) process. The program will be delivered at substantially reduced rates for successful applicants, with funding made possible by the Western Australian government's Regional New Industries Fund and the Lower Great Southern Economic Alliance.

To be eligible, all prospective candidates must currently own, operate or manage; or intend to operate, a tourism business in the Lower Great Southern region, defined as the local government regions of Denmark, Albany, Plantagenet and Jerramungup. Complete the attached Expression of Interest form and submit as soon as possible.

What's involved?

The program provides expert business support and industry mentoring to develop your business skills, entrepreneurship and tourism capability. There are three industry streams, suited to businesses at different stages of growth. **The participation rate is \$500+GST per business for each 6-month program.** We have secured funding to deliver these mentoring programs at a substantially subsidised rate in 2019-2020. This represents a significant discount – each program is valued at \$3,600.
